

IMMIGRATION & CITIZENSHIP AUTHORITY

To the clients of the RRA.

As you are probably aware there have been some issues with the funding of the support program between P.N.G. and Australia. Discussions to resolve this situation are progressing well.

Due to the funding issues some service providers have not been fully funded for service delivery and as a result there are some interruptions to some services.

These interruptions are temporary in nature and will be resolved in the very near future. I want to reassure you that you will not be without secure accommodation, food, or health services during this time.

You will be informed when these matters are resolved.

Yours sincerely,

Stannis Hulahau

CMO. PNGICSA.
